

CORPORATE PARTNER SPOTLIGHT: BUCHALTER

Buchalter is a full-service business law firm that prioritizes client service and community service. Their San Diego office has partnered with Cristo Rey San Diego to employ students since the 2021-2022 school year. Office manager Zanna Arthur shared insight into why Buchalter chooses to partner with CRSD and the value the work study program provides:

Q: How did you first get connected with Cristo Rey San Diego High School?

A: At Buchalter, we believe that client service goes hand-in-hand with public service. Each of our offices plays an integral role in helping improve the communities where we live and work through active service. Our Los Angeles office employs students from Verbum Dei Jesuit, Cristo Rey's sister school in Los Angeles.

Q: Why do you partner with Cristo Rey to employ students?

A: Buchalter believes it is a privilege to provide support to organizations and people who are making a difference. We partner with Cristo Rey to employ students so they are able to earn school credit and learn how to conduct themselves in a professional environment.

Zanna Arthur,
Office Manager

Q: What roles do Cristo Rey student associates fill at Scipps Mercy Hospital?

A: Student workers fulfill a variety of roles including the completion of important administrative tasks such as assisting with managing case files, providing critical mail services, copy services, as well as hospitality services.

Q: What advice would you give someone who was considering hiring a team of students?

A: We would tell them there is no more fulfilling way to be of service to the community than to provide hard-working students with the opportunity to learn how to thrive in a professional environment. By hiring a team of students, you are not only positively impacting the child's life and their family, you are making a difference for generations to come.
